PROFILE

I'm a Full Stack developer based in Dublin, Ireland, doing my best to keep up with and learn the latest technologies in the rapidly advancing world of web development.

I love writing code and solving interesting problems, but also enjoy the creative side when it comes to translating designs to the digital medium of the web.

SKILLS

HTML5, CSS3, Javascript, Typescript, Python, ReactJS, NextJs. Redux. Responsive UI, Accessibility, Bootstrap, TailwindCSS, Jest, React Testing Library, NodeJS. MongoDB, MySQL, Building and integrating RESTful APIs in ExpressJS, Authentication, Git/Github, Agile Methodologies, and more.
